

## Horse Trailer Reservation Form

No trailer reservations will be accepted without full payment. First come first served. No refunds unless you can find alternate person to take your spot or a vet has declared your horse unfit to go. You should enter all horse trials the day they open to ensure you get in. Always check with Jessie or Niqui to make sure the trailer is not already full before sending in horse trials forms. (Hunter/jumper shows you do not need to enter ahead of time, just horse trials.) Always check with your instructor to make sure the show is appropriate. Niqui or Jessie will try to give each rider some pointers (included in this fee).

**Fees will be as follows:** One horse on trailer \$300. Two horses \$150/ horse. Three or more horses \$100/horse. You will be credited any overpayment. Overnight show costs will be the same as above per day at the show.
